# Lynnwood FARM

## third annual ALL-BULL Sale

AT  
LYNNWOOD  
FARM,  
CARMEL,  
INDIANA

Friday,  
**NOVEMBER 8**  
**1957**

Lynnwood is more than a purebred breeding establishment for Polled Shorthorns and Berkshire hogs. It is a testing spot for efficient feeding operations, a laboratory for the measure of performance and gains, a school for all who wish to learn, and a source of supply for tested seed stock.

First prize Ten Head of Polled Shorthorns at the 1955 International, shown by Lynnwood Farm.

## Welcome to Lynnwood

Printing a sale catalog in its entirety in the columns of the breed magazine is not a common procedure, yet we have good reasons for so doing. Lynnwood is not solely a source of supply for tested seed stock. It is a school for all who wish to learn. Whether you study these pages as a prospective buyer or merely as a student of the breed, it is our hope that the results of the work being done at Lynnwood will be of benefit to you.

Although success in the business of producing improved livestock is measured in many ways, there can be no truer measurement than the performance of the bulls that go into the hands of customers. We have attempted in this catalog to portray not only Lynnwood showing winnings, but emphasis has also been placed on the showing successes of other breeders who are using Lynnwood sires. The records speak for themselves.

### OUR FRONT COVER

The pair on the front cover of this catalog were first prize in a strong class of eight pairs of yearlings at the 1956 International Live Stock Show. Left, LYNNWOOD PATIENCE 2nd x, grand and junior champion female; right, LYNNWOOD SEQUEL x, second prize junior yearling bull, 1956 International; grand champion, 1957 Iowa State Fair; senior champion, 1957 Indiana State Fair. Both are by Lynnwood Beacon x.

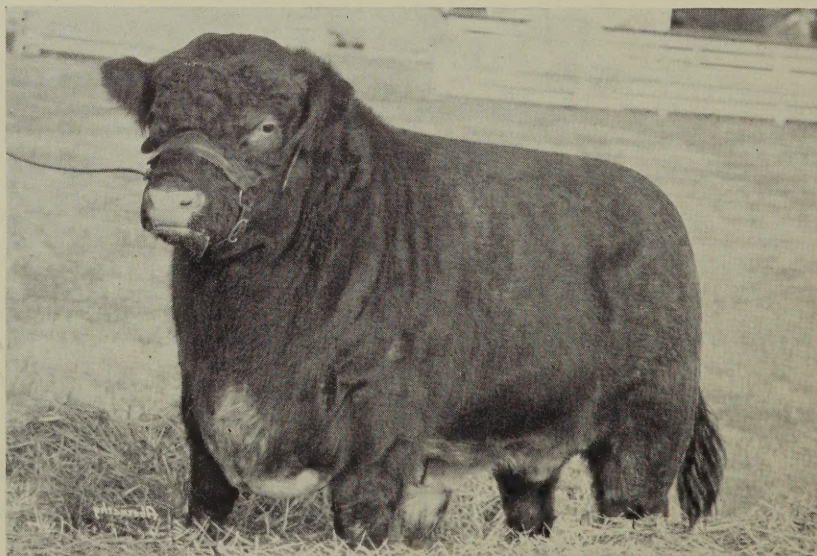

LYNNWOOD POLICY x, sire of one bull selling, is a young bull building toward a big reputation. The 1956 Hoosier Harvest of Stars champion female was his first daughter born at Lynnwood. Three sons averaged \$658 in last year's sale; one, Lynnwood Brevity x, went to Wilbur G. Walker & Son, Frankfort, Ind., at \$625, and resold in their recent dispersion at \$950. Policy's sire is Glen Knolls Monarch x. His dam is Cherry Hill Royal Clara 2nd x, top open heifer in the Cherry Hill dispersion, she by Edellyn Royal Leader 2nd. Another of her sons is Lynnwood Comet x, reserve senior champion, 1954 International.

This is our third annual All-Bull Sale. More than ever before we feel that the bulls represent the carefully defined breeding program at Lynnwood. The offering contains 30 bulls. Each was produced from the mating of a great cow with a great sire, and we have taken particular pains to select bulls whose ancestry for many generations is without fault.

There is much to see at Lynnwood, and we want every sale guest to see it all. If you will arrive early for a careful inspection of the cow herd and the stock bulls, we are certain you will conclude that there is complete safety in the use of the bulls offered in this sale.

We hope you will be with us at Lynnwood Farm on NOVEMBER 8.

Lynnwood did not show but the grand champion bull and the first prize in both senior and junior gets were by a son of Lynnwood Beacon x.

## **. . . at the Iowa State Fair**

Both grand champion bull and female and every group class was won by sons and daughters of Lynnwood's present herd bulls.

## **. . . at the Ohio State Fair**

Lynnwood did not show but the reserve grand champion, the reserve junior champion bulls, all but one of the six female champions, the first prize junior get, the second, third, fourth and sixth of the senior gets were all by sons of Lynnwood's present herd sires.

## **. . . at the Indiana State Fair**

All but two of the six bull championships, all but one of the six female championships, the first three senior gets, the first, third and fourth junior gets were by Lynnwood's present herd sires or their sons.

## **. . . at the Polled Shorthorn Congress**

The champion female and top of the Congress, champion and top bull, winning get of sire for the third consecutive year, were by sons of Lynnwood Leader in the hands of four exhibitors.

## A Fieldman's Opinion . . .

"Is my investment going to be safe? Are the calves I produce during the coming years going to be better than those of the past?" These are the questions that run through the mind of a careful breeder as he approaches the task of buying a herd bull. Correct solutions to these questions are of utmost importance. Herds like the one located at Lynnwood Farm are the answer to these vital problems. Through the planned matings of noted sires with royally bred females gathered from the strongest breeding nurseries in the world, Lynnwood has eliminated the gamble. There is safety in the use of Lynnwood bulls and the experience of hundreds of breeders who have used them provide positive proof of this fact.

Thirty bulls are to be offered in this sale. To the many Polled Shorthorn breeders who are aiming upward I can give assurance that these bulls can be used with utmost safety. And to the scores of breeders of horned cattle who have asserted that they will switch to a polled bull when the right kind is found, I can say, "Here is your opportunity!" We all owe a great debt to Lynnwood Farm for making available such excellent herd bull material.

# The Sires

**LYNNWOOD LEADER** has been the greatest improving sire used in the Lynnwood herd. His sons and daughters have passed his desirable characteristics on to their offspring more consistently than have the get of any other bull used at Lynnwood. His daughters have passed on this excellence equally as well as his sons. His sire, the great Edellyn Royal Leader 2nd, has done more to improve Polled Shorthorns than any other Shorthorn bull in the last 30 years. Lynnwood Leader died last March, and there will not be many more of his sons offered for sale. Top bull in our 1956 sale was a son, and four sons sell in this sale.

CARONA FASCINATION'S record as a sire continues to grow. His get has been undefeated for two years in all polled shows. He himself has been shown extensively in horned competition and has been many times a champion, including the reserve grand champion at the 1952 International. His sire, Cherry Hill Royal Oak x, was an International reserve champion bull. The second and third prize gets at the 1956 International were by his sons. His dam, a line bred Collynie Fascinator x cow, is also exactly the right type. Both top bulls in our 1955 sale were his sons. Eight sons sell in this sale.

LYNNWOOD EVENT x is the youngest of the four Lynnwood herd sires represented in this offering. He is owned jointly with Cooper Farms of Noblesville, Indiana. They purchased a half interest in him two years ago for \$5,000. He was grand champion at the 1955 Houston, Texas, livestock show and a member of the first prize pair of yearlings at both Houston and Fort Worth that year. Note that he is by Lynnwood Beacon x and his dam is the great Augusta Chrissie, a daughter of Ascreavie Duthie. She is the dam and granddam of some of the best cattle ever produced at Level-dale Farms. She is a Marshall bred cow and, at eleven years of age, still one of the best cows in the Lynnwood herd. The eight calves sired by Lynnwood Event x in this offering are particularly uniform in type and carry the characteristic thickness of their sire.

**LYNNWOOD CALCULATOR x** — A full brother to one of the most popular young bulls in our sale a year ago, also a full brother to the reserve champion female at the Congress Show held in Nebraska two years ago last spring, a heifer that sold for export to Australia. He is a bit too young to look his best, but, without exception, his full brothers and sisters have developed into very outstanding cattle.

**LYNNWOOD MAYOR** — A bull that gave a good account of himself in the shows in 1956. He was a member of the undefeated senior get of sire at Iowa and Indiana State Fairs, the Indiana Shorthorn and Polled Shorthorn Futurity and the 1956 International. He was also first prize winner at the 1957 Indiana Futurity, at the Iowa and Indiana State Fairs, and a member of the winning get at the 1957 Indiana Shorthorn and Polled Shorthorn Futurity and the Indiana State Fair. His granddam, Lynnwood Lavender A x, was the 1946 Indiana State Fair grand champion, she, by Lynnwood Spotlight x, a first prize winner at the International, and out of Oakwood Lavender 12th x, a top female in one of the earlier Teegardin sales, a cow that left a great record at Lynnwood. This bull has been used and is sure.

**LYNNWOOD REALIST x**—Particularly well grown, thick and rugged, deep in polled breeding. His dam is from the Lynnwood Gloster family that consistently produces top cattle. Note the depth of polled breeding.

**LYNNWOOD FOOTPRINT x** — This is a full brother to Lynnwood Secret 2nd x, the reserve grand champion female at the 1955 and 1956 Internationals and the 1957 Indiana Futurity in mixed competition, and a member of the undefeated senior get of sire in both 1955 and 1956.

**LYNNWOOD DECLARATION x** — Here is a bull that has as much to recommend him from the standpoint of breeding and individuality as any bull in the sale. His dam was the top-selling open heifer in the Straus dispersion and is one of the really top brood cows ever in the Lynnwood pastures. She is the dam of the two herd bulls, Lynnwood Comet x and Lynnwood Policy x.

**LYNNWOOD PROCLAMATION x** — A full brother to Lynnwood Impression x, that sold for \$2000 in our 1956 sale to Lester Ingham and Stewart Dudley of Fredonia, New York, and he is the same kind of bull. His dam was a show heifer in the Alpine herd for two years and cost \$1800 in an International Sale.

**LYNNWOOD CORPORAL x** — This bull carries a combination particularly good at Lynnwood. The Barmpton Sultana family has been a good one in the Lynnwood herd, and was certainly one of the best in the Hultine herd in Nebraska. The Carona Fascination-Lynnwood Leader cross is responsible for the production of Lynnwood Daybreak A 8th x, last year's Indiana State Fair grand champion, the reserve grand champion at Fort Worth in 1957 and grand champion at the 1957 Indiana Futurity and Indiana State Fair.

**LYNNWOOD OBSERVER x** — The summer yearling bull out of our show herd, second in his class at the 1957 Indiana State Fair. His dam has been an outstanding producing daughter of White Oak Rothes x. She comes from the Manson Beauty family that has been outstanding in the Hudson herd in Iowa for many years. This bull has a full sister about eleven months younger that is a very outstanding heifer.

**LYNNWOOD SPECIAL x** — Lynnwood Agent x was an Indiana State Fair Gold Medal champion, and in the winning get of sire at several of the larger fairs. He was used by Lester Ingham, Fredonia, New York. The dam, Lynnwood Bridget 4th x, is a cow of the right type and a good producer, a double granddaughter of Edellyn Royal Leader 2nd. The Cherry Hill Royal Augusta family is one of the best that we have at Lynnwood.

#### CHAMPIONS IN PRODUCTION

No bull ever did his complete job of improving the breed without the help of a great cow herd. The Lynnwood cow herd is outstanding in its wealth of champions and top-sellers. There are four International grand champion females in production alone . . . Lynnwood Patience 2nd x (1956), Hildale Louise (1954), Clarissa Coronita 9th (1952) and Hildale Augusta May (1948), in addition to many Polled Congress, state fair and state sale champions and top-sellers. Here are 11 cows and their 11 calves in pasture with Lynnwood Beacon x, sire of eight bulls selling.

## Terms and Conditions

**TERMS** — The terms of this sale are cash unless other arrangements are made in advance with Charles H. Nickel, manager of Lynnwood Farm. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before animals are removed.

**GUARANTEE** — All bulls sold in this sale are guaranteed to be breeders irrespective of the age at the time of purchase. A provision of the Lynnwood guarantee is that no bull shall be allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. Notice of failure of a bull to breed must be given to the management of Lynnwood Farm at the earliest possible date. When a bull fails to comply with the above guarantee, Lynnwood Farm will have the option of substituting a bull of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guar-

antee given for the first animal shall likewise apply to any animal later substituted.

**REGISTRY CERTIFICATES** — Certificates of registry and transfer will be furnished with each bull sold. Shipment will be made as soon as possible after the close of the sale but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound condition.

**HEALTH** — Every possible precaution is taken to guard the health of each Lynnwood animal. All bulls in this sale have been tested for tuberculosis and Bang's disease within 30 days of the date of the sale. A 60 day tuberculin retest will be allowed. All bulls in this sale comply with the health laws of the state of Indiana, and Indiana health certificates will be provided with each bull sold.

**ANNOUNCEMENTS** — All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in this catalog.

**LIABILITY** — The above guarantee and terms shall constitute a contract between Lynnwood Farm and the buyer of each lot. Lynnwood Farm will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of those who attend the sale.
